CARL JOHNSON — AUDIO VISUAL INSTALLATION AND FABRICATION

Professional Experience

With over 9 years in the Audio Visual industry, Carl has supervised and installed countless Audio Visual installations. His experience spans the industry from the installation of Retail and Entertainment Venue AV to digital security and surveillance systems. With a background in audio and production, Carl has mastered the skills to successfully implement today's technologically complex audio visual systems. Carl is also an accomplished musician with many hours of hands on experience in live and studio production, making him an invaluable asset to the SSI team of professionals.
