

AUDIO · VIDEO · CONTROL · SURVEILLANCE · DATA SYSTEMS

JEFFERY K. KIRKMAN — AUDIO VISUAL DESIGN ENGINEER / DSP PROGRAMMER

Professional Experience

With over 7 years in the Audio Visual industry, Jeff has taken the lead in several cutting-edge system installations. His experience spans the industry from the installation of digital security systems to multi-track television production studios. With a background in video editing, computer networking, and web design, Jeff has the skills to successfully implement today's technologically complex audio visual systems. Jeff rounds out his experience with theater and production lighting, making him an invaluable asset to the SSI team of professionals.
