STONEY SLATON — INTEGRATION SUPERVISOR /AUDIO ENGINEER

Professional Experience

Leading the SSI integration team, Stoney has had the opportunity to work with many of SSI's top clients like attraction parks, major US corporations, and local business owners. He also contributes his knowledge of the electronics industries' most innovative products to the design of SSI's projects. Stoney ensures that projects are completed within the given time, every time. Having degrees in concert touring and production, Stoney has gained over a decade of experience with audio production, video and surveillance integration. His drive and ambition enables him to oversee multiple large projects.
